I am requesting funding for a command and communication vehicle for the Carson City Sheriff's Office. The entity to receive funding for this project is the Carson City Sheriff's Office, located at 911 E. Musser Street Carson City NV 89701. The funding would support the purchase of a command and communication vehicle for the Carson City Sheriff's Office. This project is an appropriate use of taxpayer funds because it would support the purchase of a multi-agency, multi-discipline response vehicle to replace the current apparatus and provide improved functionality, mobility, technology, and reliability for critical incidents and major events.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei

Member of Congress
