I am requesting funding for the Washoe County Sheriff's Office Special Operations Division Hangar. The entity to receive funding for this project is the Washoe County Sheriff's Office, located at 1001 E. 9th Street, Building A, Reno, Nevada 89512. The funding would be used to renovate the Washoe County Sheriff's Office (WCSO) Special Operations Division (SOD) Hangar, which supports and secures operational readiness of specialized law enforcement vehicles and response equipment and aids with rapid deployment during critical law enforcement incidents. This project is an appropriate use of taxpayer funds because the project would fund key infrastructure upgrades that are critical to the utilization of this space for essential law enforcement functions and includes a roof retrofit, door replacement, fire suppression system replacement and concrete replacement.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei  
Member of Congress
