The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Carson City Sheriff's Office Computer-Aided Dispatching System in Carson City, Nevada, in fiscal year 2025. The entity to receive funding for this project is Carson City, located at 911 E. Musser, Carson City, NV 89701.

The funding would construct Carson City Sheriff's Office Computer-Aided Dispatching System. This project is a responsible and good use of taxpayer dollars because it would be used to update their CADS system to include a new records management vendor, installation & configuration, data migration, implementation, and testing, as well as provide significant updates to their hardware infrastructure to include servers, storage, high-speed network connections, data center upgrades, coding and programming, and other advancements to make the entire system compatible with the incoming technology.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
