Chairwoman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Pedestrian Infrastructure Improvement for the City of Sparks, in fiscal year 2025. The entity to receive funding for this project is the City of Sparks, located at 431 Prater Way, Sparks, NV 89431.

The funding would be used to improve pedestrian infrastructure in the City of Sparks. This project is a responsible and good use of taxpayer dollars because it will revitalize pedestrian connectivity in a disadvantaged neighborhood that currently deals with failing infrastructure as a daily challenge. Most of the sidewalks and pedestrian facilities within this neighborhood were originally constructed in the 1970's and have never had any major rehabilitation work.

The project has a federal nexus because the funding provided is for purposes authorized by 42 USC 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei  
Member of Congress
