Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Two Multifunction Snow Removal Machines at the Reno-Tahoe International Airport in Nevada, in fiscal year 2025. The entity to receive funding for this project is the Reno-Tahoe Airport Authority, located at 2001 E Plumb Lane, Reno, NV 89502.

The funding would acquire two multifunction snow removal machines at the Reno-Tahoe International Airport. This project is a responsible and good use of taxpayer dollars because it will be used to replace two runway brooms and two snowplows with two multifunction units for the Reno Tahoe Airport Authority that were originally purchased in the 1990s and 2006. This will reduce pollution due to purchasing newer models, reduce costs on maintenance, and limit staffing challenges since there will be fewer pieces of equipment to operate.

The project has a federal nexus because the funding provided is for purposes authorized by 49 USC 47100 et seq., and FAA policy and guidance.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
