The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Bailey Creek Stormwater Management Project, located in Washoe County, Nevada, in fiscal year 2024. The entity to receive funding for this project is Washoe County, located at 1001 E. 9th St., Reno, NV 89512.

The funding would be used for completion of realigning portions of the area's drainage infrastructure to improve hydraulic flow, armoring, and utility relocation. The project is supported regionally by Washoe County, the City of Reno, residents, and local businesses. Flooding is frequent and reoccurring in this neighborhood due to misaligned channels, significantly impacting community members' quality of life.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
