The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Carson City Public Works Department for the 5th St. Roundabout Improvement Project, in fiscal year 2026. The entity to receive funding for this project is Carson City, located at 3505 Butti Way, Carson City NV, 89701.

The funding would construct the 5th St. Roundabout Improvement Project. This project is a responsible and good use of taxpayer dollars because it would address safety and congestion challenges at the intersection of E. 5th St. and Fairview Dr. in Carson City, NV by enhancing the existing roundabout to provide additional travel lanes addressing traffic operation and emergency access, adding additional bike facilities, ensuring safe pedestrian connections, enhanced street lighting, and replacing water and stormwater infrastructure, crucial for preventing flooding and preserving the natural environment.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
