The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Campton Street Improvement Project in the City of Ely in Nevada, in fiscal year 2024. The entity to receive funding for this project is the City of Ely, located at 501 Mill Street, Ely, NV 89301.

The funding would be used to install a sidewalk, a curb, and gutter along Campton Street from 11th Street to Great Basin Boulevard. The funding would also be used to install streetlights at locations along Campton Street where there are no streetlights currently. This project is a responsible and good use of taxpayer dollars because it will provide a safe route for pedestrians that does not currently exist and allow for adequate rain and storm water flow along the street.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
