The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the reconstruction of Kaiser Road in the City of Fallon in Nevada, in fiscal year 2024. The entity to receive funding for this project is the City of Fallon, located at 55 West Williams Ave, Fallon, NV 89406.

The funding would be used to replace missing sections of the sidewalk and the existing asphalt roadway that is severely deteriorated along Kaiser Road. This project is a responsible and good use of taxpayer dollars because it will provide roadway improvements to ease the flow of vehicular traffic and provide pedestrians a safe place to travel to and from the corridor. These improvements will greatly improve travel safety and allow the corridor to remain viable for economic development.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
