The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Grass Valley Wastewater Treatment Facility, located in Humboldt County, Nevada, in fiscal year 2024. The entity to receive funding for this project is Humboldt County, located at 50 W 5th St, Winnemucca, NV 89445.

The funding would be used for completion of the design and engineering phase of the project. The project is an appropriate use of taxpayer funds because vital infrastructure project to mitigate existing nitrate levels in the area, as well as facilitate both residential and economic growth in the Grass Valley vicinity. This project is necessary for the health and well-being of current residents and the overall future of their rural community.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
