Chairwoman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the installation of ADA compliant access facilities for public schools in Lander County in Nevada, in fiscal year 2024. The entity to receive funding for this project is Lander County, located at 50 State Route 305, Battle Mountain, NV 89820.

The funding would allow for the installation of ADA compliant pedestrian access facilities for public schools in the county. Currently Lander County has 2 Phases of Shovel Ready Safe Routes engineered design packages on file and ready for construction. This project is a responsible and good use of taxpayer dollars because it will extend and enhance the safety of Lander County residents and particularly its student body.

The project has a federal nexus because the funding provided is for purposes authorized by 42 USC 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei  
Member of Congress
