The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Grosh Water Main Replacement, located in Lyon County, Nevada, in fiscal year 2024. The entity to receive funding for this project is Lyon County, located at 27 South Main Street, Yerington Nevada 89447.

The funding would be used for design and replacement of 6,800 linear feet of a water distribution main. The existing water main has reached its useful life and sustains multiple breaks each year. These breaks result in the issuance of precautionary boil water notices to many homes. The water main was designed and installed to a different standard than today, and the lack of operational inline shutoff valves makes it challenging to isolate water main breaks and leaks.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
