The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the State Route 227 Roundabout in Nevada, in fiscal year 2024. The entity to receive funding for this project is Nevada Department of Transportation, located at 1263 South Stewart Street, Carson City, NV 89712.

The funding would be used to construct a Roundabout at the intersection of State Route (SR) 227, Lamoille Hwy, and Boyd Kennedy Rd, Raised Median, and High-T Intersections. This project is a responsible and good use of taxpayer dollars because the roundabout will improve safety through this section of the SR 227 corridor. The speeds would be reduced and allow for safer left turn movements out of the coming from the north side of SR 227 and heading east.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
