The Honorable Tom Cole
Chairwoman

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for US 6 White Pine County Project for the Nevada Department of Transportation, in fiscal year 2026. The entity to receive funding for this project is the Nevada Department of Transportation, located at 1263 Stewart St., Carson City, NV 89712.

The funding would construct the US 6 White Pine County Project. This project is a responsible and good use of taxpayer dollars because it will mill and fill, preserve pavement, widen the shoulder, and install technology to improve operation communications. This project will provide safety enhancements to the community through shoulder widening to allow for enhanced safety during emergencies and bicycle traffic, as well as the installation of Intelligent Transportation Systems (ITS) trunk line improvements to enhance transportation system efficiency. Widening the shoulder will enhance safety during emergencies and provide more space for bicyclists.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
