House Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for The Reno-Tahoe Airport Authority (RNO) for the MoreRNO, New Gen A & B, TSA Administrative Space Relocation, in fiscal year 2026. The entity to receive funding for this project is The Reno-Tahoe Airport Authority, located at PO Box 12490, Reno, NV 89510.

The funding would relocate the TSA administrative space to the mezzanine level of the terminal. This project is a responsible and good use of taxpayer dollars because it will relocate the TSA administrative space to accommodate the highest and best use in both the concourse and mezzanine level as well as provide better access to the security checkpoint for the TSA staff. TSA vacating the concourse space allows space for airfield focused functions like airline operations. The new mezzanine level space sits almost directly above the security checkpoint and is more centrally located to the TSA's primary functions.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei  
Member of Congress
