The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for The Regional Transportation Commission of Washoe County's Regional Partnership for Local Street Rehabilitation Project, in fiscal year 2026. The entity to receive funding for this project is the Regional Transportation Commission of Washoe County, located at 1105 Terminal Way, Reno, NV 89502.

The funding would fund pavement rehabilitation and pedestrian improvements in three neighborhoods across Washoe County. This project is a responsible and good use of taxpayer dollars because it will improve pedestrian safety and access to a neighborhood park. The need to provide and maintain a growing roadway network in response to economic expansion of our community has resulted in many older neighborhood streets deteriorating. These neighborhood streets struggle to compete with resources with regional or community roadways that carry larger volumes of traffic. These one-time grants of federal resources will directly benefit older neighborhoods and improve quality of life for the individuals who live in these areas.

The project has a federal nexus because the funding provided is for purposes authorized by 42 USC 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
