The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Truckee Meadows Community College's EMS and Fire Training Center in Nevada, in fiscal year 2024. The entity to receive funding for this project is Truckee Meadows Community College, located at 7000 Dandini Blvd, Reno, NV 89512.

The funding would construct the EMS and Fire Training Center at TMCC, will support necessary upgrades to the college's Fire and EMS programs, and will enable training collaborations with regional fire departments to support community and economic development at urban/wildland fire interface. This project is a responsible and good use of taxpayer dollars because it will supply agencies in urgent need of trained personnel with personnel and assist the pipeline of students in their structured fire, wildland firefighting and emergency medicine programs in meeting the safety needs of the rapidly growing population in Northern Nevada.

The project has a federal nexus because the funding provided is for purposes authorized by 42 USC 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei
Member of Congress
