Chairwoman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Washoe County for a Northern Nevada Mobile Intelligence Response Vehicle, in fiscal year 2026. The entity to receive funding for this project is Washoe County, located at 1001 E. Ninth Street, Reno, NV 89512.

The funding would procure the Northern Nevada Mobile Intelligence Response Vehicle. This project is a responsible and good use of taxpayer dollars because it will enhance real-time intelligence sharing, regional collaboration, and disaster mitigation across Northern Nevada. This specialized vehicle will serve as a mobile hub for intelligence analysts, communications experts, and data analytics personnel, providing deployed troops in the field with timely and actionable information during critical incidents such as wildland fires, natural disasters, and law enforcement emergencies.

The project has a federal nexus because the funding provided is for purposes authorized by authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mark E. Amodei  
Member of Congress
